Hey Sasha,

Sorry for taking so long to get back to you. It's been a crazy couple of weeks due to the budget negotiations. Ramez and George Hartenstein will be representing DEP.

On a related note, we met with Rep. McNeill today about the Coplay Aggregates site and she mentioned she was trying to get in touch with Cosmo to discuss the PCBs issue. I sent her your contact info.

Once decided & if you are at liberty to share, who would be representing PADEP?

Have a great weekend

Subject: Are you aware of this hearing?

Hi Sarah,
Are you aware of this hearing? The state senator's chief of staff reached out to our office:

Senator Scavello is hosting the hearing for the Senate Majority Policy Committee (<https://policy.pasenategop.com/>) in the Northampton County portion of the district on July 9th to discuss the Commonwealth's clean fill/regulated fill policies, how PA's standards compare to surrounding states and potential environmental concerns.
